WIRELESS LED UPLIGHTING PACKAGES

Both the Ballroom and North Hall at North Cadbury Court lend themselves brilliantly to uplighters, with the large walls allowing for spectacular colour washes and effects.

We stock the latest wireless LED uplighters, which have a removable battery making for incredibly easy use. You will be provided with a tablet allowing you to easily control the many features these lights can offer from static colours, to fade, strobe and music effects. The packages below are based upon the recommended number of lights in each room.

*Wireless LED
Uplighter*

£25

A single led wireless uplighter is priced at £25. They can be controlled manually or via the tablet provided. You may just want to hire a few uplighters to make your bar stand out or for the fireplace in the North Hall.

*North Hall
9 x Uplighters*

£200

The North Hall lends itself to uplighting with the wood panelling allowing for a very effective 'colour wash.' If you are dancing or having your bar in this room then they are a great addition.

*Ballroom
11 x Uplighters*

£240

LED uplighters can be used in the Ballroom to light up the pillars and the edge of this spectacular room. A simple warm white effect is perfect for your reception or add some colour later in the evening if you are dancing in here.

*Ballroom & North
Hall*

£400

Have the best of both worlds by using uplighters in the Ballroom and North Hall. A great idea if you are setting up your dancefloor and bar in one room and dining in the other.

BAR PACKAGES

Our brushed silver folding bars are ideal for the North Hall. For wedding parties of over 100 we would recommend 2 of these 5' bar units. They also fit perfectly across the alcove in the North Hall and are incredibly easy to set up and fold away. These bar units also have an inbuilt LED strip, allowing you to select a colour to downlight the front of the bar unit.

We also stock fully illuminated LED bar units where you can programme the LED display across the entire bar frontage. Or alternatively for a more vintage or rustic feel, why not take a look at our apple crate bars.
